Direct Applicants to Open Seats

AACN data show that more than 15,000 seats go unfilled in nursing schools, even though over 68,000 qualified applicants are turned away

SOURCE: American Association of Colleges of Nursing, Research and Data Center, 2002-2013. AACN is not responsible for reporting errors by respondent institutions.

Goal of NursingCAS

Enormous potential to produce powerful data that can positively impact the profession

Provides an unduplicated head count of applicants – unique NursingCAS ID number assigned to each applicant

Provides a vital resource for prospective students and applicants interested in the profession – single source of comprehensive admissions requirements

Assists in developing workforce projections, admissions trends, and recruitment strategies

Compiles accurate statistics; such as number of applicants and profile (age, ethnicity, gender, geographic, etc.)

Helps promote and facilitate academic progress

Benefits to the Profession

A **Centralized Application Service** for prospective students to research and apply to RN diploma, associate degree, baccalaureate, master's, and doctoral programs at participating nursing schools nationwide using one, online application.

Powerful Admissions Software for staff to manage and analyze their applicant pool. Schools can have an unlimited number of users with customized access. **Ongoing training and support is provided.**

Integrated Administrative Services including the processing and management of transcripts, supporting materials, calculating GPAs, and providing applicant service and support.

American Association of Colleges of Nursing

Major Enhancements:

- Ability to customize admission requirements on a per program basis
 - School decides if coursework entry is required
- Updated interface streamlined data entry
- More user friendly
- ID number that follow applicants
- Continuous application cycle
- Detailed information for applicants

The Direct Entry Master's (MSN) for Non-Nurses: Generalist Entry Master's (GEM) Clinical Nurse Leader (CNL) program at Rush University College of Nursing comprehensively prepares students, in a two-year full-time curriculum, to be a graduate (MSN) registered nurse (RN) clinician with a focus in clinical leadership. Graduates are prepared to function at a high level in inpatient, out-patient, and community settings. This program is for students who already have a bachelor's degree in an area other than nursing.

Click here to visit the Rush Generalist Entry Master's (GEM) program page.

Upon receipt of your NursingCAS application, you will be asked to complete a brief Rush supplemental application. (Rush supplemental application fee is \$35.)

Applicants will be evaluated on the following:

1. All calculated GPAs of 3.0 or higher (on a 4.0 scale).

2. GRE scores are required unless waived under one of the following conditions: a cumulative GPA of 3.25 or greater; a pre-licensure nursing GPA of 3.0 or greater; or a graduate GPA (of a completed degree) of 3.5 or greater.*

- 3. Acceptable personal interview(s) with faculty.
- 4. Substantive personal essay statement

5. Three professional letters of recommendation from faculty and/or work managers (at least one letter must come from current or recent employer) are required. Relationship of recommenders to you must be in a supervisory capacity. Recommendations from friends, relatives, or co-workers will not be accepted and will cause your application to be delayed or denied.

Information for applicants with foreign education:

All foreign institutions attended require course-by-course ECE, WES, or CGFNS transcript evaluation.
 The TOEFL (Test of English as a Foreign Language) is required for applicants who are non-native speakers of English. This requirement may be waived if the applicant has completed a minimum of three years of higher education AND received their baccalaureate degree in the United States.*

* If required, GRE and TOEFL scores should be sent directly to Rush University. The school code for Rush is 3262.
