Welcome to NursingCAS!

Hi CTest ATest

Nursing's Centralized Application Service (NursingCAS) is a service of the American Association of Colleges of Nursing. NursingCAS allows applicants to use a single online application and one set of materials to apply to multiple nursing programs at participating schools.

Through NursingCAS, prospective nursing students may apply to diploma, associate degree, baccalaureate, master's, and doctoral programs offered by participating schools. Nursing school applicants also have access to dedicated customer service support and guidance throughout the application process.

MSN for Non-Nurses: Generalist Entry Master's (GEM)

Deadline: 08/03/2015

[Home](#)

[Documents](#)

[Prerequisites](#)

[Questions](#)

The Direct Entry Master's (MSN) for Non-Nurses: Generalist Entry Master's (GEM) Clinical Nurse Leader (CNL) program at Rush University College of Nursing comprehensively prepares students, in a two-year full-time curriculum, to be a graduate (MSN) registered nurse (RN) clinician with a focus in clinical leadership. Graduates are prepared to function at a high level in inpatient, out-patient, and community settings. This program is for students who already have a bachelor's degree in an area other than nursing.

[Click here to visit the Rush Generalist Entry Master's \(GEM\) program page.](#)

Upon receipt of your NursingCAS application, you will be asked to complete a brief Rush supplemental application. (Rush supplemental application fee is \$35.)

Applicants will be evaluated on the following:

1. All calculated GPAs of 3.0 or higher (on a 4.0 scale).
2. GRE scores are required unless waived under one of the following conditions: a cumulative GPA of 3.25 or greater; a pre-licensure nursing GPA of 3.0 or greater; or a graduate GPA (of a completed degree) of 3.5 or greater.*
3. Acceptable personal interview(s) with faculty.
4. Substantive personal essay statement
5. Three professional letters of recommendation from faculty and/or work managers (at least one letter must come from current or recent employer) are required. Relationship of recommenders to you must be in a supervisory capacity. Recommendations from friends, relatives, or co-workers will not be accepted and will cause your application to be delayed or denied.

Information for applicants with foreign education:

1. All foreign institutions attended require course-by-course ECE, WES, or CGFNS transcript evaluation.
2. The TOEFL (Test of English as a Foreign Language) is required for applicants who are non-native speakers of English. This requirement may be waived if the applicant has completed a minimum of three years of higher education AND received their baccalaureate degree in the United States.*

* If required, GRE and TOEFL scores should be sent directly to Rush University. The school code for Rush is 3262.

**American Association
of Colleges of Nursing**

AACN is the national membership organization for over 780 nursing schools; providing public support for professional nursing education, research, and practice

Liaison International provides the software, processing, and support to applicants and participating schools. Industry leader with 20 years of experience working with 25 different health profession to administer CAS's.

NursingCAS partners with participating schools to provide an online application to students who wish to apply to that school's programs and processes applications on their behalf

How is it Possible - Partnership

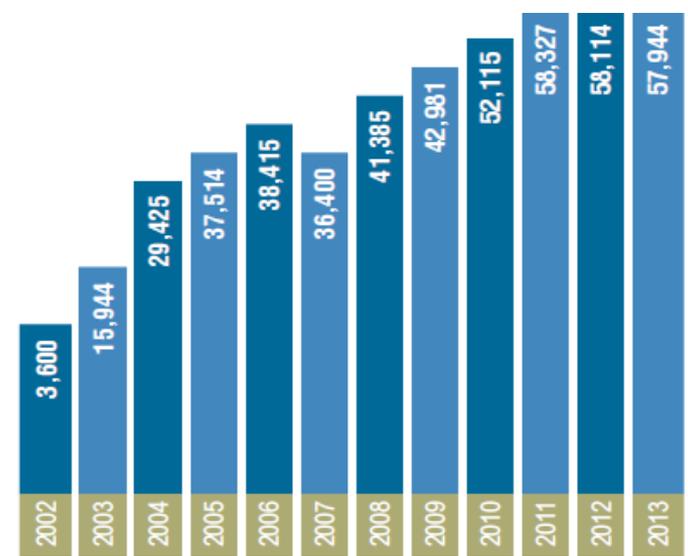

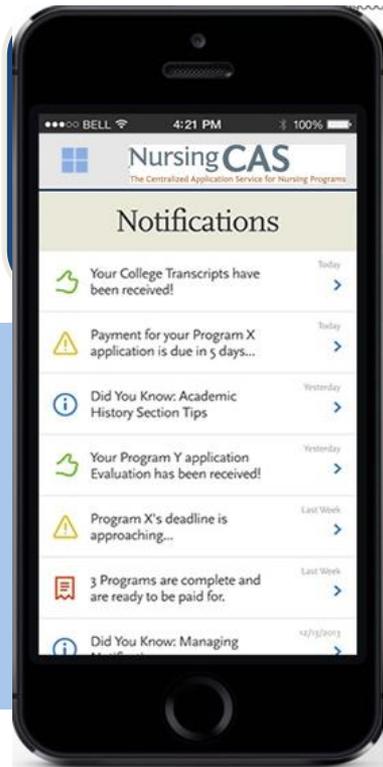

Streamline the application process for prospective students

- A single, online resource to research and apply to participating programs

Maximize capacity in schools of nursing and help fill available seats

- Qualified applicants are turned away from nursing schools annually even though more than 14,000 seats were unfilled

- Notify applicants about available seats at participating schools, new programs and deadline extensions

Questions

Your Goals and NursingCAS

Rush College of Nursing is a:

- Top 20 school
- Located in Chicago
- Part of a top medical center

Our Goals:

- 1) Enroll the most qualified and diverse applicants locally and nationally
- 2) Reach enrollment targets through better forecasting

- Various reporting fields in NursingCAS allow the end user to organize applicants in a variety of ways , e.g., by GPA, interview score, ethnicity, etc., assisting schools to make decisions on applicants according to factors you deem most important.
- View in-progress applicants, extend deadlines, create announcements through NursingCAS newsletter to reach targets

Benefits to the School

- ✓ Increased national exposure – NursingCAS is more than just an application tool, it is a recruitment tool
- ✓ A no cost way for “hot prospects” to search and find your program
- ✓ Attracts out-of-state applicants to both online and on campus program offerings
- ✓ Excellent tool for relationship building
- ✓ Excellent program management capabilities for faculty and admissions staff (i.e., forecasting, extending deadlines, reaching targets)
- ✓ Better use of staff for other purposes (e.g., recruitment, expanding social media presence, updating and improving website)

Q&A

Information for applicants with foreign education:

1. All foreign institutions attended require course-by-course ECE, WES, or CGFNS transcript evaluation.
2. The TOEFL (Test of English as a Foreign Language) is required for applicants who are non-native speakers of English. This requirement may be waived if the applicant has completed a minimum of three years of higher education AND received their baccalaureate degree in the United States.*

* If required, GRE and TOEFL scores should be sent directly to Rush University. The school code for Rush is 3262.

OSU Dental Hygiene Baccalaureate Degree Completion Program

The Dental Hygiene Baccalaureate Degree Completion Program is a flexible, online program for licensed dental hygienists who hold an associate degree from a CODA accredited dental hygiene program. Students will expand their knowledge of research and patient care and prepare for additional roles in dental hygiene education, research, public health, business or administration.

This program combines the general education aspects of a baccalaureate degree with advanced education in dental hygiene. Scheduling is flexible and students may enroll part-time or full-time. Dental hygiene courses and most general education courses are offered in a distance learning format designed to be convenient for working students. Basic science courses that cannot be completed online can be completed at any of Ohio State's five campuses or may be transferred from other institutions.

NursingCAS Applicant Newsletter

Stay connected and informed.

In effort to provide better information to you in a more organized format on a regular basis, we are rolling out the NursingCAS Applicant Newsletter, which will be delivered to your email inbox on the 1st and 15th of every month. Look for this informative newsletter to learn about deadline extensions, new programs, programs with available space, upcoming events, and important reminders, when applicable.

Open Seats One of the benefits of NursingCAS is to provide

notifications to applicants about programs that have available space. Did you know that more than 14,000 seats go unfilled annually? Review the listing below to determine if you would like to apply to one of these programs.

Deadline Extensions Programs often extend their deadlines in order

to allow applicants more time to complete the admissions process. Review the list below to see if any programs you are interested in have extended their deadline.

New Programs New programs are added to NursingCAS frequently so

in order to help you discover and learn about new offerings please review the updated list below.

Applicant Communications

- Many schools have inquired about opportunities to promote their programs to prospective applicants beyond the NursingCAS Newsletter so we partnered with [Echo-Interactive, LLC](#) to establish an: [Echo-Targeting Program](#), an affordable banner advertising tool that allows schools to market their nursing program to prospects online

Managing a Paperless Process

- Use NursingCAS WebAdMIT to manage **completely paperless** admissions process
- File Sharing
 - A variety of data fields are automatically loaded into Datatel Colleague
 - All official transcripts sent to NursingCAS as the official secure repository
- **Faculty and staff can interact in real time from anywhere** throughout the application process. Thus, applicant data collection and review becomes very streamlined yet the integration of different stakeholders dramatically increases.
- In sum, **less paper = less error**

Strategies for Managing a Paperless Process

- Use of template communications provides real time customer service and information that an applicant will find helpful, i.e., applying for fin. aid
- Interviews can be uploaded or done directly within WebAdmit; all applicant file notes and e-mails stored in WebAdmit
- Create spreadsheets/scoring rubric for admissions committee and bring up files electronically in meeting. This also allows us to operate in a secure manner with respect to FERPA.

Interface with Existing Systems

Create export files and reports with the data elements, applicants, and file format that your school needs to compare applicants or import into internal systems such as Datatel

Run Custom & Comparative Reports

What types of reports do you need to run?

- Rush used the NursingCAS data and the WebAdMIT software to complete the applicant portion of AACN's annual survey in less than one hour

Who do you report to?

- Schools run reports for use with internal and external stakeholders (ex. accrediting bodies, grant funders)

What data do you need?

- You can run comparative reports that show your applicant data vs. the entire NursingCAS applicant pool data. And you can pull reports that only show data for your applicant pool.

Examples:

- Age
- Applications by track
- Applicants who applied to multiple schools
- Citizenship
- Countries of birth
- Coursework
- Degrees awarded
- Degrees expected
- Ethnicity
- Financial aid
- **Gender**
- GPAs
- Majors
- States of Residence

NursingCAS Applicant Newsletter

Stay connected and informed.

In effort to provide better information to you in a more organized format on a regular basis, we are rolling out the NursingCAS Applicant Newsletter, which will be delivered to your email inbox on the 1st and 15th of every month. Look for this informative newsletter to learn about deadline extensions, new programs, programs with available space, upcoming events, and important reminders, when applicable.

Open Seats One of the benefits of NursingCAS is to provide notifications to applicants about programs that have available space. Did you know that more than 14,000 seats go unfilled annually? Review the listing below to determine if you would like to apply to one of these programs.

Deadline Extensions Programs often extend their deadlines in order to allow applicants more time to complete the admissions process. Review the list below to see if any programs you are interested in have extended their deadline.

New Programs New programs are added to NursingCAS frequently so in order to help you discover and learn about new offerings please review the updated list below.

A single online resource to research nursing program options and admissions requirements

Notifications about programs with open seats, new programs, and deadline extensions

A convenient and efficient process to apply to multiple schools using a single Web-based service for a nominal fee

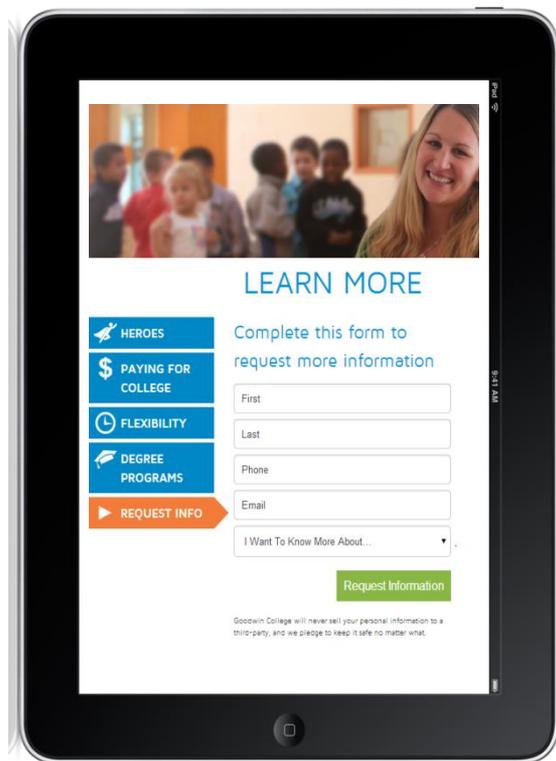

Reduce the need and costs associated with duplicate application data and supporting materials

Provide applicants with online status check and validation rules to reduce errors
