Subject: VCU School of Nursing PhD Admission Decision

VCU ID: [VCU ID]

Dear [First Name] [Last Name]:

On behalf of the School of Nursing, it is my pleasure to notify you that you are being offered admission to the PhD program for fall 2017. Congratulations!

To accept the offer of admission, you must complete the following 3 steps no later than **April 14, 2017:**

1. Email the Graduate Admissions Office (respondgrad@vcu.edu) your name, address, program and term of entry to notify them you are accepting the offer of admission.
2. Submit a non-refundable, non-transferable $250 tuition deposit to the Graduate Admissions Office. You will be able to pay the deposit upon receipt of your letter of admission from the Graduate Admissions Office.
3. Email your tuition deposit receipt to me (NURADMISSION@vcu.edu).

If you fail to accept the offer of admission by completing the 3 steps above by April 14, 2017, your admission is withdrawn.

Please reply to this email to let us know if you are unable to accept this offer of admission.

By accepting the offer of admission, you agree to satisfy all of the conditions of admission listed below by **July 1, 2017**. If you do not complete these conditions, the offer of admission is withdrawn:

- You must complete your criminal background check and drug screening with VCU's approved vendor (package code: IR27bgdt) and results must be visible on the approved vendor's website. Prior background checks and drug screenings cannot be used.
- Complete a three-credit statistics course and email a copy of your grade report confirming proof of completion to NURADMISSION@vcu.edu.
- Complete your master's degree and have your advisor email NURADMISSION@vcu.edu that you have met all requirements for graduation.

Fonda Neal, Educational Program Coordinator for Doctoral Programs, will contact you soon with enrollment details and can be reached via e-mail at fneal@vcu.edu or telephone at (804) 828-0836 if you have any questions.

We look forward to having you as a member of our student body and to welcoming you to the School of Nursing at the mandatory on-campus orientation and classes August 23-25, 2017. Congratulations on your acceptance!

Sincerely,

Cynthia G. Kiefer

Building on the strength of the Magnet-designated VCU Health and the School of Nursing's Langston Center for Quality, Safety and Innovation, this program is strongly positioned to prepare students to improve the quality of health care delivery and patient outcomes. The Institute of Medicine's 2011 report "The Future of Nursing: Leading Change, Advancing Health" noted that nurses have a critical role in transforming our increasingly complex health care system and called for increased education to provide nurses with key knowledge and skills to expand their influence. In order to meet this charge, graduates of the DNP program at VCU will be prepared to improve health care delivery by critically appraising scientific evidence to inform practice, sharing clinical expertise in collaborative and dynamic environments, leading inter-professional teams, providing systems leadership for sustainable best practices in clinical settings and influencing health policy.

References

The VCU DNP program curriculum focuses on improving quality and safety outcomes in clinical practice. As part of this, the program emphasizes empowering advanced practice nurses who can act as leaders of change in healthcare. Your professional references should speak to your ability to succeed in achieving these goals and should not be from personal sources. Rather, you should invite individuals who can speak to your academic acumen and professional accomplishments. Ideally, you should invite individuals who are familiar with the roles of DNP prepared clinicians (e.g., other doctorally prepared nurses and clinicians). In general, an academic reference speaks to your prior academic performance (e.g, former academic advisor, faculty member) while a professional reference speaks to your professional skills (e.g., leader in your organization, supervisor).

A total of three (3) references are required.

Your references will receive an email message from NursingCAS that directs them to an online recommendation form. Notify your references in advance; they should receive a notification in their email inbox from NursingCAS. You should communicate to your references that occasionally, these notifications will default to "spam" or "junk" inboxes. If your references cannot find the email, you will need to contact NursingCAS to request that the notification be resent

.

Once you have saved an electronic reference, an email request will automatically be sent to the referer on your behalf. Please advise your referer to look for this email in their inbox, as well as their spam or junk-mail folder, as emails do occasionally get filtered out. Please note: All references submitted within this section of your application are program specific. If you choose to remove this program from your application, please understand your letters will be deleted along with the program.

School of Nursing - MSN Administration Acceptance Letter

Subject: UH School of Nursing - MSN Administration Acceptance Letter

UNIVERSITY of HOUSTON | NURSING

Dear [First Name] ,

It is my pleasure to inform you of your conditional acceptance as a candidate for admission to the University of Houston School of Nursing, **Nursing Administration** graduate program for Fall 2016. This offer of admission is contingent on the completion of the following mandatory components of the admissions process:

1. Confirmation that you plan to attend UH School of Nursing. Fax the Acceptance Acknowledgment form to nursing@uh.edu.
2. Order your background check and medical document manager with Certified Background (CBC) by using code UE82. You must have an account with CBC and all items must be in compliance before the clinical readiness hold can be removed from your account. Please go to www.certifiedbackground.com to establish your account. In addition, a drug screen must be obtained by contacting SurScan at http://www.surscan.com/uh1312.html. Results must be negative.
3. Register for classes.
4. Review UH School of Nursing Student Policy page at http://www.uh.edu/nursing/resources/policy/.
5. Attend mandatory School of Nursing and University full day Orientation at the **UH Sugar Land campus.** If not in attendance, acceptance to the MSN program will be withdrawn.

Failure to complete any of these requirements by the specified deadlines will result in forfeiture of your class space to another applicant.

As you are aware, class space is limited. If for any reason you decide not to register for nursing courses at UH School of Nursing for Fall 2016, please notify Dr. Kathleen Reeve (kdreeve@uh.edu). This admission to the MSN program is only for the Fall 2016 semester. If you do not register for the Fall 2016 semester, you must submit a new application to be considered for admission at a later date.

Again, congratulations and welcome to the UH School of Nursing!

Sincerely,

Kathleen Reeve, DrPH, MSN, ANP-BC, FNP-C/Associate Dean

How to Partner with NursingCAS

Will you use NursingCAS exclusively to process applications to your nursing program(s)? Or will applicants be able to apply via other methods too?

Which programs will you post on NursingCAS? You can post all programs or select programs.

Will it be necessary to import any of the applicant data and/or supporting documents from NursingCAS into your internal software system(s)? If so, at which point?

Who will be designated as the primary contact(s) for your program?

When do you want to begin processing applications via NursingCAS?

What functionality, if any, do you think you will use in WebAdMIT?

Rush University College of Nursing

MSN for Non-Nurses: Generalist Entry Master's (GEM) Deadline: 08/03/2015

| Home | Documents | Prerequisites | Questions |

The Direct Entry Master's (MSN) for Non-Nurses: Generalist Entry Master's (GEM) Clinical Nurse Leader (CNL) program at Rush University College of Nursing comprehensively prepares students, in a two-year full-time curriculum, to be a graduate (MSN) registered nurse (RN) clinician with a focus in clinical leadership. Graduates are prepared to function at a high level in inpatient, out-patient, and community settings. This program is for students who already have a bachelor's degree in an area other than nursing.

Click here to visit the Rush Generalist Entry Master's (GEM) program page.

Upon receipt of your NursingCAS application, you will be asked to complete a brief Rush supplemental application. (Rush supplemental application fee is $35.)

Applicants will be evaluated on the following:
1. All calculated GPAs of 3.0 or higher (on a 4.0 scale).
2. GRE scores are required unless waived under one of the following conditions: a cumulative GPA of 3.25 or greater; a pre-licensure nursing GPA of 3.0 or greater; or a graduate GPA (of a completed degree) of 3.5 or greater.*
3. Acceptable personal interview(s) with faculty.
4. Substantive personal essay statement
5. Three professional letters of recommendation from faculty and/or work managers (at least one letter must come from current or recent employer) are required. Relationship of recommenders to you must be in a supervisory capacity. Recommendations from friends, relatives, or co-workers will not be accepted and will cause your application to be delayed or denied.

Information for applicants with foreign education:
1. All foreign institutions attended require course-by-course ECE, WES, or CGFNS transcript evaluation.
2. The TOEFL (Test of English as a Foreign Language) is required for applicants who are non-native speakers of English. This requirement may be waived if the applicant has completed a minimum of three years of higher education AND received their baccalaureate degree in the United States.*

* If required, GRE and TOEFL scores should be sent directly to Rush University. The school code for Rush is 3262.
