

Managing BSN Admissions and Recruitment with NursingCAS

*Panel Session Featuring Louisiana State University
Health Science Center at New Orleans, School of Nursing
November 16, 2018*

Speakers:

- Tracie Gravolet, Director, Office of Student Affairs
- Leanne Fowler, Program Director, Nurse Practitioner Programs
- Stephanie Pierce, Program Director, Baccalaureate Articulation, CARE, and Nurse Educator MSN Programs
- Todd Tartavouille, Program Director, Traditional BSN Program

Audience Poll

What role, if any, do you play in the admissions process?

- Serve on admissions committee
- Conduct admissions interviews
- Recruit students
- Evaluate applications
- Establish admissions criteria

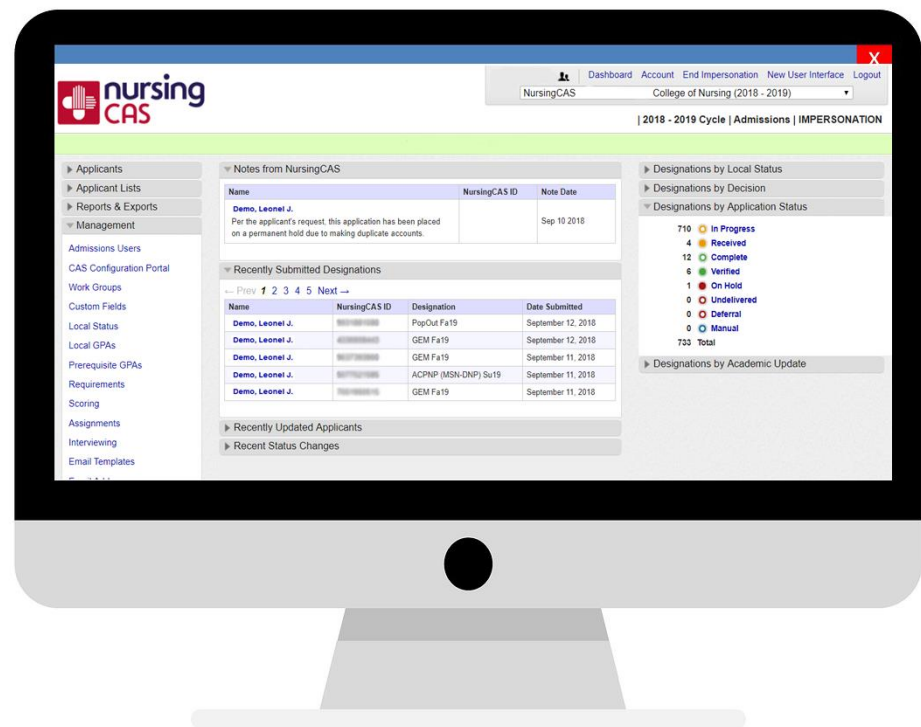

Leveraging NursingCAS

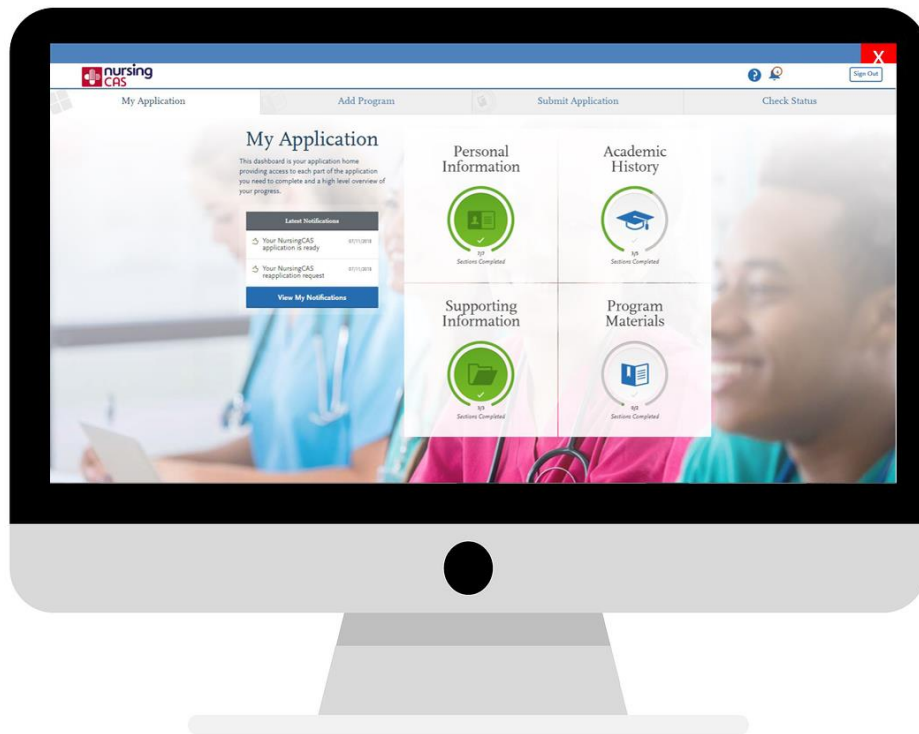

NURSINGCAS IS A FREE CUSTOMIZABLE TOOL FOR YOUR SCHOOL TO USE TO COLLECT AND REVIEW ADMISSIONS INFORMATION FROM APPLICANTS

- Utilize the custom questions, document upload, and reference features to collect essays and key criteria needed for admissions review
- Conduct an admission review online – utilize the tools in WebAdMIT such as assignments and scoring features

Applicants can easily apply to any participating nursing program:

- One, online application
- One set of transcripts
- Supporting documents
- Check status online
- Receive notifications

Provides vital information to applicants on admissions criteria.

Applicants are charged a fee to submit an application.

Application Information

Fall 2019 Application Deadline: January 15, 2019, 10:00 p.m. CST

Beginning Fall 2018 semester, Statistics 300/3000 level or above may be transferred if a grade of "C" or better is achieved.

The School of Nursing at LSU Health New Orleans – School of Nursing participates in a Centralized Application Service for Nursing Programs (NursingCAS). Applicants applying to the Traditional BSN program will apply on-line using the NursingCAS application. To learn more about the NursingCAS application process, please visit the NursingCAS web site at www.nursingcas.org.

The Traditional BSN program admits students in the fall and spring each year. The fall semester application deadline is January 15th. The spring semester application deadline is August 1st. Class size is limited and admission is very competitive. Please refer to the [Admission Criteria](#) page for further information about qualifications and requirements.

1. [Application Form](#)

Please visit the NursingCAS website at www.nursingcas.org to complete the on-line NursingCAS application. Search for LSU Health Sciences Center School of Nursing in New Orleans, LA. If an applicant has any concerns

Instructions on how to navigate to NursingCAS are posted on LSU's Website

Applicants can preview programs on the search page prior to selection

The screenshot displays the 'My Application' page on the Nursing CAS portal. A modal window titled 'Program Description' is open, providing details for the 'RN to BSN Spring 2019' program. The background shows a table of available programs with columns for 'Add', 'Organization Name', and 'Program Name'. The modal content includes:

- Program Name:** RN to BSN Spring 2019 | **Degree:** RN to BSN/BS (for Registered Nurses)
- Start Term:** Spring | **Campus:** LSU Health New Orleans School of Nursing
- Start Year:** 2019 | **Deadline:** November 30, 2018
- Delivery:** Hybrid

The modal also contains two paragraphs of descriptive text:

The RN to BSN program resides in the School of Nursing at Louisiana State University (LSU) Health New Orleans. The School of Nursing is one of six professional schools comprising the academic health sciences center in New Orleans, LA. The LSU system initiated nursing education in 1929, and the School of Nursing was established as a separate and autonomous school in December, 1968.

The program offers a one-year plan of study designed specifically for the RN with an Associate Degree or Diploma in Nursing. This program is based on principles of adult education and focused on the skills and experiences nurses bring to the educational setting. The RN to BSN coursework includes required general education and nursing courses designated and delivered for RN's only.

This program admits students in the fall, spring, and summer each year. This program of study is fully accredited by the Commission on Collegiate Nursing Education and is approved by the Louisiana State Board of Nursing. Our RN to BSN degree program provides a broad liberal and professional education that

Once a program is selected, it's added to an applicant's "Program Materials"

Louisiana State University (LSU) Health New Orleans School of Nursing is located in New Orleans, LA. The faculty of the LSU Health New Orleans School of Nursing offers a three-year plan of study leading to a Bachelor of Science in Nursing degree. The program admits students in the fall and spring each year. This program of study is fully accredited by the Commission on Collegiate Nursing Education and approved by the Louisiana State Board of Nursing. Our Traditional BSN degree program will prepare students for the NCLEX-RN licensure exam and a professional nursing career.

An applicant may attend any accredited college or university to fulfill the requirement pre-requisite courses. During the time the applicant is enrolled in the pre-requisite courses, a separate application for admission must be submitted.

Admission Criteria:

- Prerequisite Coursework - 37 hours
 - 16 hours must be complete and on official transcript by the application deadline: College Algebra, English Comp I, General Biology Lecture and Lab for Science Majors, Chemistry for Science Majors, and General Psychology
 - The remaining 21 hours must be complete and on official transcript by the beginning of nursing school, if selected: Art Elective, English Comp II, Introduction to Sociology, Development Psychology Across the Lifespan, Microbiology, Humanities (6 hours).
- Grade Point Average
 - Minimum GPA of 3.0 on 4.0 scale on all prerequisite courses.
 - A grade of C or better must be achieved in all non-science prerequisite courses.
 - A grade of B or better must be achieved in all science prerequisite courses (Biology Lecture and Lab for
